

Take a 6.2-mile self-guided hike, and stop in three local breweries along the way! Camelback Brewing will be your start and end spot. Next it's Hugger Muger Brewing company, and just a short two blocks away, kick back at Wild Dog Brewing Company. Head back out on the trail for your remaining 1.3 miles to Camelback. Enjoy eight public art murals along the route!

DEEP RIVER KAYAK ROUTES

Mclver Landing to Cumnock or Camel Back Bridge 6.8 miles

This is a beautiful and easy float for all ages. Kayakers can put in at Mclver Landing across from J.R. Moore & Son store off 421 (near Plank Rd/421 intersection) and take out on a paved boat ramp river left before the camelback bridge. The takeout location is also called Deep River Park at the intersection of R Jordan Rd and Cumnock Rd. Moderately paddle and complete this entire float in about 3 to 4 1/2 hrs depending on the water levels. Scenery: large rock croppings, historic bridges, and elevation changes.

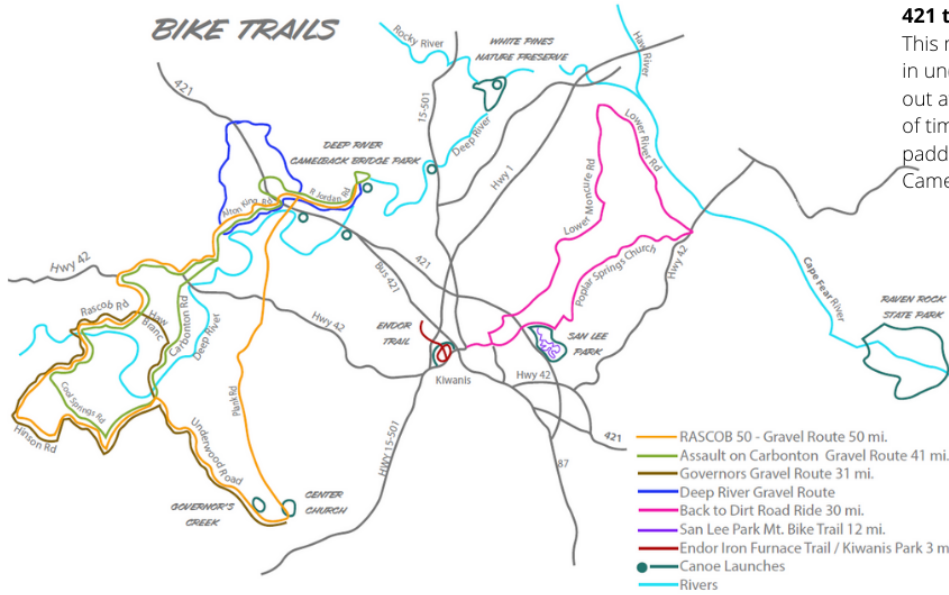

Mclver Landing to 421 4.2 miles

This is a kid and adult friendly float. It takes about 3 hrs to float. Put in at Mclver Landing parking area and take out under the 421 bridge. This is a beautiful float with lots of big elevation and rocks along the steep river banks. Added bonus: many deep holes to bass fish in. Extend this float by leaving a car at Camel Back Bridge (Deep River Park). It will add another beautiful 1hr to your day.

421 to Cumnock 2.6 miles

This may be the easiest float to do with or without kids. Put in under the 421 bridge (off bypass) on Deep River and take out at Deep River Park paved boat ramp. Don't have a lot of time? You can do the entire float in just 1 hour! Scenery: paddle under two very old train bridges and take out at Camel Back Bridge in Cumnock. This float is very beautiful.

BIKE TRAILS

BIKE TRAILS GRAVEL & ROAD

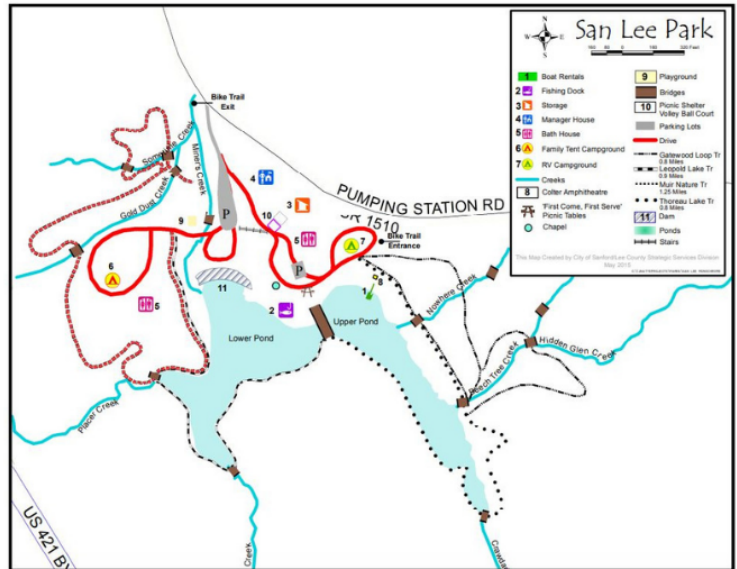

Grab your ride tribe and head out on the open road! Whether you are looking for a gravel route, a road route, or a challenging mountain bike trail, Lee County boasts seven bike trails noted on the map, as well as some spectacular scenery along the way!

HIKE AND BIKE SAN-LEE PARK

Approximately 4 miles of hiking trails offer a true nature experience at San-Lee Park. The trails wind along the two lakes and through the woods, offering great fishing spots, access to an array of wildflowers, and many great views. There is no cost. The Nature Trails are open year round during park operational hours at no cost.

The mountain bike trail measures approximately 12 miles long, and winds around the entire park's perimeter. It is perfect for the moderate to difficult rider. Trail usage is during park hours. Please use designated parking area for Mountain Biking riders.

HIKE KIWANIS AND GREENWAY

A half-mile walking trail connects to a mile-long greenway trail for a scenic stroll or intensive exercise. The park trail includes exercise stations along the way. The park is also outfitted with a splash pad and playground.
